HOW CAN I KEEP MY WATERSHED CLEAN?

Draw a line to connect word with picture.

Use reusable bags and water bottles
Dispose of your trash properly
Clean up after your pet
Do not feed the wildlife
Donate unwanted toys and books

What foods are healthy for wildlife to eat?
Deer like to eat:
• Mulberry
• Flowers
• Grass
Ducks like to eat:
• Small fish
• Worms
• Grass

Can you find what deer and ducks like to eat in the word search below?

Hint: grass is listed only once.

NOT people food!

Tell your family about what you learned today
We can ALL make a difference!
