FY 2024 June Financial Report

August 17, 2024

Overview

The monthly financial report is directed at providing a snapshot of the General Fund revenues and expenditures, as well as other important financial information, through the month of **June**, with 75.0% of the fiscal year complete. At the end of June, 72.4% of total payroll for the fiscal year has elapsed and is reflected in the Employee Expenses category of each fund. This report also includes a Vacant Positions Summary as of 7/31/2024, an Economic Data Report, and a report reflecting Roadway Impact Fees and Park Development Fee balances by district.

In the financial graphs, the General Fund revenues are consolidated into major revenue sources such as Property, Sales, and Other Taxes including Franchise Fees. All other General Fund revenue is consolidated for reporting purposes. General Fund expenditures are shown by department and by category.

This financial report and accompanying financial summaries are focused on year-to-date activity. Additional detailed financial information can be found within the City's FY 2024 Operating Budget and Plan of Municipal Services, and the Annual Comprehensive Financial Report. These documents, as well as other financial information produced by the Finance Department, can be found on the City website.
