FY 2024 Year-End Review

(unaudited)

December 13th, 2024

Overview

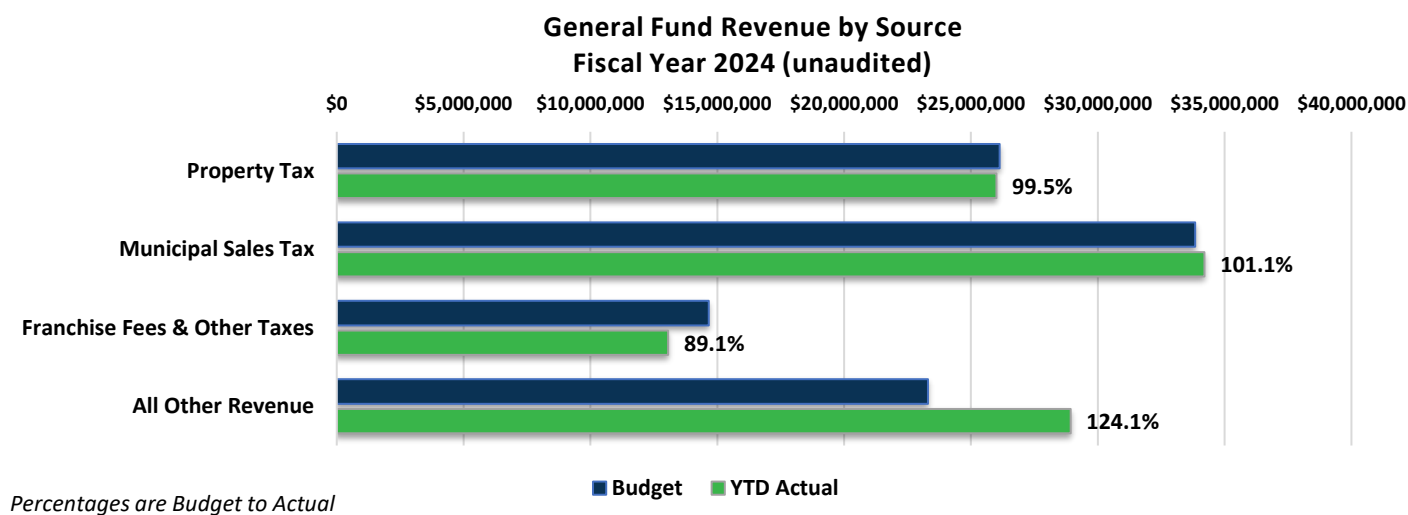

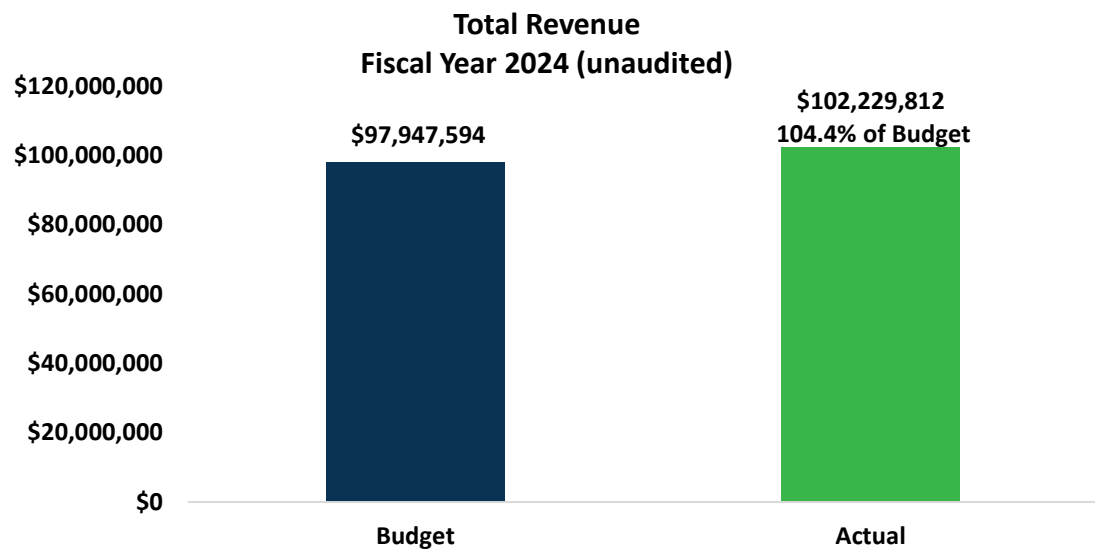

The monthly financial report is directed at providing a snapshot of the General Fund revenues and expenditures, as well as other important financial information, through the month of **September**, with 100% of the fiscal year complete. At the end of September, 100% of total payroll for the fiscal year has elapsed and is reflected in the Employee Expenses category of each fund. This report also includes a Vacant Positions Summary as of 12/05/2024, an Economic Data Report, and a report reflecting Roadway Impact Fees and Park Development Fee balances by district.

In the financial graphs, the General Fund revenues are consolidated into major revenue sources such as Property, Sales, and Other Taxes including Franchise Fees. All other General Fund revenue is consolidated for reporting purposes. General Fund expenditures are shown by department and by category.

This financial report and accompanying financial summaries are focused on year-to-date activity. Additional detailed financial information can be found within the City's FY 2024 Operating Budget and Plan of Municipal Services, and the Annual Comprehensive Financial Report. These documents, as well as other financial information produced by the Finance Department, can be found on the City website.

Economic Data Fiscal Year 2024 (unaudited)

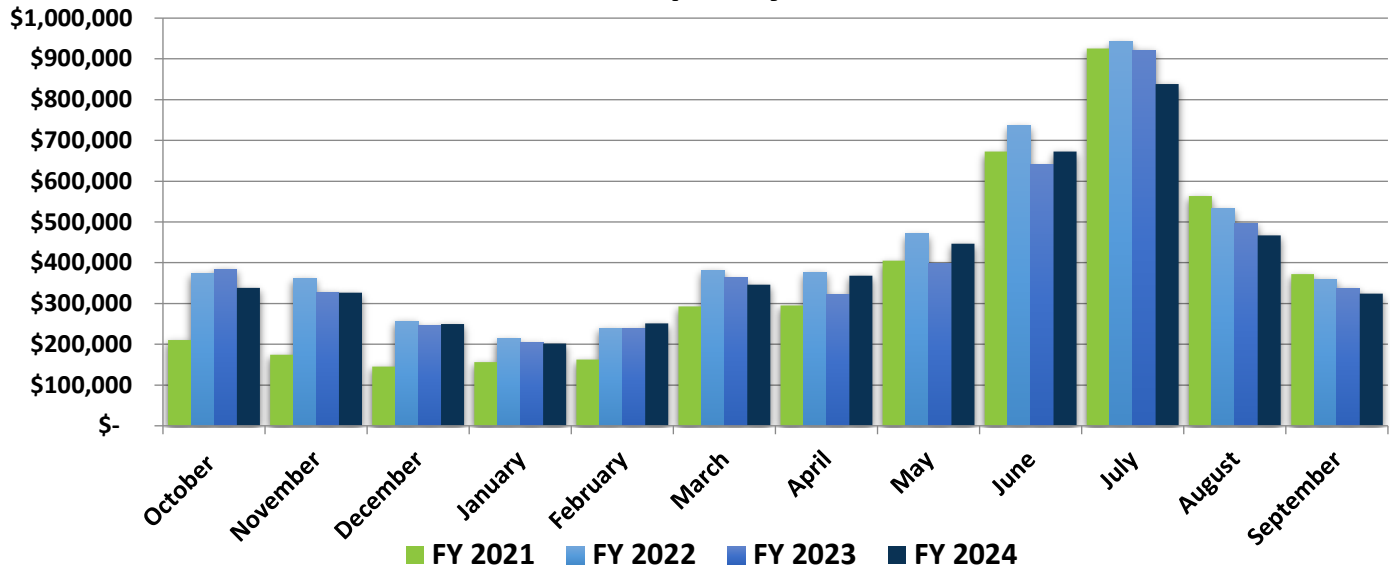

- September 2024 gross sales tax revenue was up (1.1%) compared to September 2023. The increase compared to last year is mainly due to a large future period payment. Gross sales tax revenue includes any audit adjustments made at the State Comptroller's office.
- Gross sales tax revenue collections YTD in FY 2024 were up 3.1% compared to the same period in FY 2023.
- September 2024 current period collections increased .8% compared to September 2023. FY 2024 YTD total collections were up 2.3% compared to 2023. Current period collections do not include any audit adjustments from the State Comptroller's office.

Hotel Occupancy Collections

- September HOT collections were down (3.9%) compared to September of last year. FY 2024 total collections were down (1.0%) compared to FY 2023.
- In September, The City transitioned from utilizing MuniRevs to Cityworks to collect and track all HOT payments. Because the City already utilizes Cityworks for various processes, staff hopes that the system's transition will result in a more user-friendly experience. Staff is currently developing reporting tools within Cityworks to display HOT collections by property type.
