

Michael K. Wehman – Assistant Fire Chief

Mike is currently the Assistant Fire Chief of the Operations Division of the New Braunfels Fire Department. The operations division consists of three shifts with 51 personnel assigned to each shift. Primary responsibility is the supervision of the shift personnel, policy development, EMS oversight, strategic planning, along with smooth and efficient delivery of emergency services programs associated with this division.

Mike was born in Union, New Jersey and is the oldest of three brothers. His youngest brother also a firefighter works for The Woodlands Fire Department, near Houston. He attended schools in Scotland, Texas, Virginia, and Colorado as his father was an officer in the United States Air Force. Mike has attended San Antonio College, College of the Air Force, and Texas A&M University-Commerce majoring in organizational leadership.

After graduating high school Mike enlisted in the Air Force. He spent eight years serving our country and traveled extensively. He became interested in fire fighting when he started volunteering with the Selma Fire Department and soon went to the fire academy at Texas A&M University. Mike then started working for the Universal City Fire Department, where he worked for 6 years before coming to New Braunfels. Mike has held every rank, to include serving as the interim fire chief for the department. His total fire service career spans 34 years of service in the fire department. Mike also worked for San Antonio College for 13 years as an instructor with their fire academy.

Mike is married to the love of his life, Wendy, who is a retired firefighter. He has four children Justin, Matthew, Summer, Skylar, along with two granddaughters Clara and Bethany, and a grandson Archer.
