# FY 2025 June Financial Report

August 19<sup>th</sup>, 2025

## Overview

The monthly financial report is directed at providing a snapshot of the General Fund revenues and expenditures, as well as other important financial information, through the month of **June**, with 75.0% of the fiscal year complete. At the end of June, 72.1% of the total payroll for the fiscal year has elapsed and is reflected in the Employee Expenses category of each fund. This report also includes a Vacant Positions Summary as of 08/19/2025, an Economic Data Report, and a report reflecting Roadway Impact Fees and Park Development Fee balances by district.

In the financial graphs, the General Fund revenues are consolidated into major revenue sources such as Property, Sales, and Other Taxes, including Franchise Fees. All other General Fund revenue is consolidated for reporting purposes. General Fund expenditures are shown by department and by category.

This financial report and accompanying financial summaries are focused on year-to-date activity. Additional financial information can be found within the City's FY 2025 Operating Budget and Plan of Municipal Services, the Annual Comprehensive Financial Report, and the Popular Annual Financial Report. These documents and other financial information produced by the Finance Department can be found on the City website.

## FY 2025 June Financial Report Highlights

- Sales tax in June continued a positive upward trend in collections. However, due to recent volatility in collections, staff is projecting flat collections for the remainder of the fiscal year.
- The June HOT collections were significantly impacted due to a delay in payment from one of the largest remitters. Staff anticipates the July collections to show a recovery of revenue compared to June due to the delayed payment being remitted in July.
